

## **DSP tender Q&A**

Week 50, 9-13 December 2019:

- Are research institutes eligible applicants for this call?

Answer: see p9 of the DSP grant policy framework:

“Dutch and non-Dutch organizations with legal personality under civil law (including NGOs, knowledge institutions and companies) and a good track record in the development of small-scale dryland agriculture.”

Research institutes can be ranged under knowledge institutions.

- Are the DSP documents available in French?

Answer: see p15 of the DSP grant policy framework: “Applications should be submitted in Dutch or, preferably, in English.”

The DSP grant policy framework is at the moment being translated in French as a service to applicants. The application form will be only available in Dutch and English.
