

## DSP tender Q&A

### Week 5, 31-01-2020

- The Application Form Sahel Drylands Program (Table I. General Information)) distinguishes between Applicant or Lead Partner of a consortium, Co-applicants (consortium partners) and Local implementing organizations. In the Q&A Week 4 (24-01-2020) first bullet about the budget model, the Ministry mentions <other type of partner (international or local subcontractors)>. Please confirm that subcontractors can be international organizations.

Answer: Yes, subcontractors can be international or local organizations. Be aware that subcontractors do not contribute to the trackrecord of the applicant.
