

## **Annex 2: Concept note – Migration Management**

Please pay attention to the criteria laid down in the M&O 2019-2022 Order; the applicant/lead party is responsible for submitting the application and the quality of the application.

### II. ACTIVITY APPRAISAL

#### 2.1 Rationale – problem definition

- Describe the rationale behind the proposed program, specifying:
  - Underlying factors that generate the need for the proposed intervention;
  - With regard to (sub)themes I and II under criterion D.7 sub d: the extent to which the activities are aimed not only at raising awareness among potential irregular migrants, but also at behavioural change, for example by using tried and tested methods and insights from other policy areas or scientific disciplines.
- Target group (characteristics, region). Please pay attention to:
  - Position of men/women and boys/girls, youth and vulnerable people;
- Related activities in the region and/or with the target group. Please elaborate on:
  - Complementarity to ongoing initiatives;
- Cooperation with other actors (private sector, UN, NGO's);
- Local authorities and actors. Please specify:
  - To which extent the proposed intervention fits within the local policy agenda;
  - Involvement of/cooperation with the local authorities and actors in the proposed activity;
- The proposed effects on capacity building of local actors (public, private sector, NGO's);

#### 2.2 Relation to the Dutch policy agenda on Migration and Development

Please motivate how the proposed program fits within the priorities of the government of the Netherlands, as mentioned in the Policy brief 19 637. Nr. 2375 and the policy document Investing in Global Prospects, as referred to under criterion I.1 under the selection criteria.

#### 2.3 Outcomes, outputs and success criteria

##### 2.3.1 Description

Describe briefly:

- The proposed outcomes level, including performance indicators;
- The related outputs to be achieved by the activity and how they will be measured;

At the same time, indicate how the proposed outcomes and outputs connect to the indicators from the Result Framework on Migration and Development of the Ministry of Foreign Affairs of The Netherlands (Annex of maximum one page to the concept note).

##### 2.3.1 Budget

Specify:

- The requested budget per outcome and per year (only totals – no detail);
- Indirect costs
